Young Wavemakers Summer 2025 Grant Application

Program Goal

To provide funding for young people and early career professionals for their research, conservation work, or small business with an environmental sustainability mission related to the Cape Perpetua region.

What does this grant fund?

The Young Wavemakers Grant is a small grant (max \$500) whose funds can be used for anything related to your research, conservation work, or small business related to the Cape Perpetua marine reserve and region.

Your application can be used to purchase materials for your research, outreach materials, conservation work, storytelling materials, or small business costs.

Items will either be purchased directly by the Cape Perpetua Collaborative, or reimbursed to the grant awardee.

Grant Requirements

The deliverables expected of the recipient of this grant will be to present on their work in the Young Wavemaker webinar series, and explain how the grant funding was used.

Support

The Cape Perpetua Collaborative, in addition to the grant funds, will provide support to the grant awardee(s). This can be in terms of making connections for a project, finding relevant classes or workshops, or helping determine the most appropriate equipment for completing the work.

Please contact Brianna Bowman (Young Wavemakers Program Lead) at brianna.heather.bowman@outlook.com with any questions!
